The Hamilton Community (Parents, Teachers, Staff and the Community) have proven that we can come together to promote and advance our wonderful school. Please attend the Hamilton LSC meetings and learn more about the school, what is happening this year, potential plans for the future and how you can get involved to support Hamilton!

Attendance at and participation in these meetings is one very important way that Hamilton parents can join the Hamilton administration as partners in helping to shape the educational values, atmosphere and goals for our school.
