

# Hamilton Room 108 Weekly Newsletter

---

This week we enjoyed the beautiful weather. The children played on the playground and walked through the Hamilton Teaching Garden. This garden was made possible by 3<sup>rd</sup> Annual Hamilton Silent auction in April 2011 which raised over \$49,000. Hamilton Teaching Garden was planted over the summer. Thank you supporting Hamilton!

The 4<sup>th</sup> annual Hamilton Auction in February 2012 will help raise funds for an artificial green field by the garden. The money raised from the walkathon will go toward the field.
