

Halloween at Hamilton

Room 205 – Ms. Jugenitz

Costumes:

Students may dress up in school appropriate costumes (no masks, no weapons), if their costume has a mask, the ONLY time they will be allowed to wear it is during the school parade at 1:30.

Classroom Celebration/Treats:

Immediately following the parade we will have a celebration in class. There will be crafts to make and Halloween themed activities for students to participate.

Students may bring treats* as long as they bring enough for everyone in the class (22).

* Treats should be store bought/individually packaged, preferably non-edible treats and healthy snacks.

Thanks to our room parent, students will be provided with a treat bag to keep all their party favors.

Other reminders:

Planet projects are due on November 3rd. Please email me with any question. Have a great weekend!

Ms. Jugenitz
